Performance tier:High performance

Uses:Music listening, hands-free calling, outdoor activities, parties, home entertainment

Overview:

Microworld Koleer S888 Bluetooth Speaker

The Microworld Koleer S888 is a versatile portable Bluetooth speaker designed for music lovers who want high-quality sound on the go. Equipped with dual microphones, USB, TF card, Aux, and DC input options, it delivers clear audio for parties, karaoke sessions, or personal listening. With a powerful 10W + 10W output, this speaker combines portability with strong performance, making it an ideal companion for both indoor and outdoor use.

Description:

The Koleer S888 Bluetooth speaker provides users with multiple playback options including USB drives, TF cards, Aux input, and wireless Bluetooth connectivity. Its dual microphones make it perfect for karaoke and announcements, while the 10W + 10W output ensures loud and clear sound. Compact and stylish, this speaker is designed to offer convenience without compromising audio quality.

Features:

Compact and Portable Design

Designed for mobility, the Koleer S888 speaker is lightweight and easy to carry. Its sleek white finish and compact form make it a stylish addition to any space, whether at home, outdoors, or on the move.

High-Quality Sound Performance

Experience rich and powerful sound with 10W + 10W output. The speaker supports a frequency response range for FM radio from 87 to 108MHz, delivering clear audio across various genres. Its signal-to-noise ratio ensures crisp sound quality without distortion.

Versatile Connectivity Options

Enjoy seamless music playback through multiple input options. The S888 supports Bluetooth wireless connection, USB drives, TF cards, Aux input, and DC power. This versatility allows users to play music from a variety of sources effortlessly.

Dual Microphones for Karaoke and Announcements

The included dual microphones make the Koleer S888 perfect for karaoke, speeches, or group events. Easily connect both microphones for a more interactive experience.

Power and Battery Performance

Powered by a 9.0V / 2200mAh adapter, this speaker ensures reliable performance for extended listening sessions. Its compact 3-inch external diameter speakers deliver clear and powerful audio output.

Stylish White Finish

The white design of the Koleer S888 adds a modern touch to any setting while remaining easy to match with other devices and decor.
