Specifications

Features:

Enter a world with more color

4K Color Drive Pro reveals a wider spectrum of colors, creating a more authentic picture to make the experience itself more realistic.

The latest trend in home entertainment

With 4K HDR Pro, you can experience a wider range of color and contrast than full HD, letting you to clearly distinguish the transition from dark to light.

For an essential, must-have performance

Even the darkest scenes reveal rich details, thanks to Essential Black Pro. Deep shades of black promise a truly immersive viewing experience.

4X the clarity

Prepare to step up your viewing experience with UHD Resolution. 4X more pixels than Full HD means you're getting 4X the resolution, so you'll clearly see the difference.

Smooth motion viewing

Experience smooth action on fast-moving content with Motion Rate 120. Enjoy all the action without interruption, from the final seconds of a chase scene to the final pitch of a game.

360 degrees design

Looks stylish front to back, whether mounted on a wall or sitting on a stand.

It's all connected

Easily find and play your favorite movies, TV shows, sports, music, and games with Samsung Smart Hub®.
