Specifications

Features:

PurColor

Watch your favorite content with natural colors that deliver details as crisp as the real thing. Get a more colorful viewing experience.

UHD Processor, powerful picture quality

Picture quality to move you, made possible by a single chip that orchestrates color, optimizes high contrast ratio, and masters HDR.

Real 4K UHD Resolution

Enjoy sharp, crisp images with 4K UHD TV that has 4x more pixels than FHD TV. Now you can see even the small details in every scene.

UHD Dimming

Enjoy color, sharpness, and contrast levels optimized for your viewing. Samsung UHD Dimming divides and processes the screen into small blocks so you see more precise details.

HDR, see more details

Watch HDR content with better clarity and detailed color expression. Samsung UHD TV gives you more accurate details in bright and dark scenes.

See the bigger picture

You've never been closer than this. With the big screen tv, the more details that come alive. You'll experience every moment of the game, feel every explosion, and be right in the middle of the action. Everything gets very real on a bigger screen.

Product Specification Sheet

Slim Design

Modern and polished, the sleek design of UHD TV naturally fills the contours of your space with simple design.

Easy content access & simplified control

Samsung UHD TV gets even smarter with Smart Hub and Samsung One Remote. They place all the content you want right at your fingertips, from your set-top box to your game console, apps, and live TV. All you need is one.

Seamless connections

Samsung UHD TV can be the center of a new and more convenient connected lifestyle. It integrates seamlessly with smart speakers and mobile devices - even from other brands.

Amazon Alexa

New Samsung UHD TV works with Alexa so your life just got simpler. It's easy to connect your Alexa-enabled devices. With Samsung UHD TV's compatibility, have Alexa turn on your TV, change channels, control volume, and more.

Google Assistant

New Samsung UHD TV works with the Google Assistant to make your life easier. Change channels, adjust the volume, control playback and more with just your voice.

AirPlay 2

With AirPlay 2 built in, you can stream or share content from Apple devices to the big screen. Effortlessly play videos, music, photos and more from your iPhone, iPad and Mac on your Samsung UHD TV.
