Product Overview

Canon P-208II Personal Document Scanner, Portable USB-Powered, 600dpi, 100scans, 10sheet ADF, 8ppmB&W, 8ppm Colour, A4 2-sided, Windows & Mac, Software: CaptureOnTouch, CaptureOnTouch Lite, Presto! BizCard Reader

Specifications

Overview:

The compact and stylish P-208II mobile scanner is the perfect choice for travelling executives and home users. A 10-sheet ADF and high speed duplex scanning ensure productivity is always maintained.

Features:

Highly productive mobile scanning

The tiny P-208II delivers impressive double-sided scanning speeds of up to 16ipm. The integrated 10-sheet ADF enables batch scanning for extra productivity: perfect for scanning contracts and associated documents. You can travel light with the P-208II as it has a footprint that's a little larger than a standard ruler and weighs only 600g. Powered directly via USB, it helps you maintain a high work rate anywhere in the home or on the road.

Plug-and-scan convenience on the go

The stylish, compact and ultra-lightweight P-208II provides true plug-and-scan convenience. With CaptureOnTouch Lite built in, and no additional software or drivers to download, you can simply connect, scan and go. Scanning functions and an improved icon-based user interface mean you will enjoy an even more intuitive scanning experience. An extended choice of plug-ins for SugarSync, OneDrive and Dropbox, alongside Google Drive™, Evernote and SharePoint, make it easy to work with your favourite software tools.

Scan various documents

The P-208II can scan a variety of media, from A4 to irregular-sized documents like embossed card, so it's perfect for mobile users. Get organised at home and make space by scanning your household bills; or preserve your memories digitally by scanning your old photos in high quality, using a special feature that reproduces images as close to their originals as possible.

Easy-to-use image processing

The P-208II's range of image processing features includes auto colour detection, text orientation recognition and text enhancement - to deliver high quality images and save valuable time. For convenient and intuitive scanning, use the Full Auto

Mode feature that automatically applies the best settings for your document. Simply load up your documents and scan!

Flexible wireless scanning

For the freedom to scan wherever you are, combine the P-208II with the optional WU10 Wi-Fi and battery unit. Use it to wirelessly scan documents directly to your smartphone, tablet or desktop PC, or share the scanner amongst a group of users or devices via a network server or home router.

CaptureOnTouch Mobile

The powerful CaptureOnTouch mobile app gives you the flexibility to scan direct to your iPhone®, iPad® or Android device. Save valuable time with double-sided one-pass document scanning. This free app is available for both iOS and Android devices.

Specifications	
Product Code	SCCAP208II
GENERAL PRODUCT INFORMATION	
Type	USB Powered Sheetfed Scanner
Scanning sensor unit	CMOS CIS 2 Line Sensor
Optical resolution	600dpi
Light source	RGB LED
Scanning side	Front / Back / Duplex
Interface	Hi speed USB 2.0
Dimensions (WxDxH)	Tray Closed 312.5 (W) x 56.5 (D) x 40 (H)mm
	Tray Opened: 312.5 (W) x 89.5 (D) x 40 (H)mm
Weight	Approx. 600g
Power requirements	Supply from USB (500mA)
Power consumption	Scanning, 2.5W Sleep Mode: 1.5W, Power Turned Off: 0.5W
Operating environment	10 - 32.5 degreesC (50 - 90.5 degreesF), Humidity: 25 - 80% RH
Environmental compliance	RoHS and ENERGY STAR
SCANNING SPECIFICATIONS	
Black and White	8ppm / 16ipm
Colour	8ppm / 16ipm
Output resolution	150 x 150dpi, 200 x 200dpi, 300 x 300dpi, 400 x 400dpi, 600 x 600dpi
Colour mode	Black & White, Advanced Text Enhancement II, 8-Bit Greyscale: (256-Level), 24-Bit Colour
Suggested Daily Duty Cycle	Approx 100 scans / day
DOCUMENT SPECIFICATIONS	
Width	50.8 - 216mm
