Product Overview

Solarix IBR Hanger Bolt Screw For D-RAIL 8mm- Ideal For IBR On Wood Trusses, Includes 1 x Stainless Steel Bolt, 1 x Rubber Washer, 3 x Nuts, 8mm Hexagon Bolt Screw Head, Retail Box, No warranty

Specifications

Overview:

The Solarix IBR Hanger Bolt Screw for D-RAIL 8mm is a robust and reliable solution designed to secure solar mounting systems on wood trusses. Meticulously crafted from high-quality stainless steel, this product ensures durability and longevity in various environmental conditions. The 8mm Hexagon Bolt Screw Head provides a secure and stable foundation for solar installations. Specifically engineered for use with IBR roof sheeting profiles on wood trusses, the Solarix IBR Hanger Bolt is an excellent choice for solar panel installations on wooden structures, offering a dependable anchor point for your solar mounting system. Crafted from premium, corrosion-resistant stainless steel capable of withstanding challenging weather conditions, this hanger bolt ensures the longevity and stability of your solar installation. The kit includes 1x Bolt, 1x Rubber Washer, and 3x Nuts, providing all the essential hardware for a secure and efficient installation, further enhancing the reliability of your solar panel setup over the long term.
