Product Overview

Silicon Power Blaze B02 128GB Flash Drive - SuperSpeed USB 3.2 Gen 1 Interface, 128GB Storage Capacity, Modern Hairline Finish, Backward Compatible With USB 2.0 Specifications, Windows, Mac, and Linux Compatible, Colour Black, Retail Box

Specifications

Overview:

The Silicon Power Blaze B02 128GB USB Flash Drive is a simple, secure, portable solution to quickly back up and share your valuable files, photos, videos, and more. The black casing with hairline finish offers a premium look and feel. A strap hole means you can keep your thumb drive within easy reach. With its SuperSpeed USB 3.2 Gen 1 (USB 3.1 Gen 1 & USB 3.0) interface, the Blaze B02 delivers transfer rates of up to 5Gb/s. 10 times faster than a USB 2.0. flash drive, it saves you precious time even when handling large files such as graphics and HD videos. Download the SP Widget software for free and enjoy powerful functions such as data backup & restore, AES 256-bit encryption, and cloud storage for efficient data management.

Features:

- Super Speed 128GB USB 3.2 Gen 1 with data transfer speeds up to 5Gb/s
- Modern hairline finish
- Backward Compatible with USB2.0
- Excellent solution for quick back-ups of important device storage
- Simpler alternative to Cloud Storage as the bridge between phones and computers
- High compatibility and portable design with strap hole ring design for easy carrying
- Free download of SP Widget software (for computer) for efficient file management
- Supports Hot Plug & Play

SuperSpeed USB 3.2 Gen 1 Interface
With its SuperSpeed USB 3.2 Gen 1 (USB 3.1 Gen 1 & USB 3.0) interface, the Blaze B02 delivers transfer rates of up to 5Gb/s. 10 times faster than a USB 2.0. flash drive, it saves you precious time even when handling large files such as graphics and HD videos.

Speed and Good Looks

The Blaze B02 is not only fast, but also got the looks. Featuring a stylish black casing that reminds of hairline finished steel, this flash drive is a real show off.

Always There

Flash drives are the ultimate on-the-go storage device. So for easy transport the Blaze B02 comes with a strap hole to make it easily attachable to key rings or bags. And thanks to its compact size, it will never be in your way.

SP Widget for Easy Data Management
