Specifications

Overview Summary:

The Yealink SP92 USB Speakerphone is a versatile audio solution designed for professional communication in South Africa. Equipped with Bluetooth 5.3, AI noise cancellation, and a 50mm speaker, it ensures crystal-clear calls and immersive sound. Enjoy seamless connectivity with up to two simultaneous Bluetooth devices and multiple device pairing, making it perfect for home offices, small teams, or on-the-go meetings. Shop now to enhance your work-from-home or office setup with premium audio performance.

With up to 20 hours of talk or music time and a fast 2.5-hour charge, the SP92 keeps you productive throughout the day. Its ergonomic, stylish design and full-duplex communication ensure natural, uninterrupted conversations. Buy now to experience professional-grade sound and effortless connectivity.

Performance tier:Professional**Uses:**Conference calls, online meetings, remote work, music playback, home office communication, business calls**Overview:****Yealink SP92 USB Speakerphone**

The Yealink SP92 USB Speakerphone delivers professional-grade audio for work-from-home setups, office environments, or on-the-go communication. Engineered for crystal-clear conversations, this flexible speakerphone combines AI-powered noise cancellation, wideband audio, and seamless connectivity to enhance every call and meeting experience.

Description:

The SP92 offers Bluetooth 5.3 support, dual simultaneous connections, and multiple device pairing for up to 8 devices. Equipped with a 50mm speaker and an omnidirectional microphone, it provides immersive sound and clear voice capture up to 4 meters. Enjoy up to 20 hours of music or talk time, quick 2.5-hour charging, full-duplex communication, and compatibility with over 100 platforms and operating systems, making it ideal for professional and personal use.

Features:**Noise Cancellation Technology**

AI-powered noise cancellation ensures your voice comes through clearly while filtering out distractions like typing, background chatter, or household noise. The omnidirectional microphone captures sound from all directions, maintaining clear communication up to 4 meters away.

Immersive Audio Experience

Equipped with 50mm speakers, the SP92 delivers rich, detailed sound. Wideband audio enhances every call and music track, providing a realistic and immersive listening experience whether you're on a conference call or enjoying your favorite playlist.

Smooth and Natural Conversations

Full-duplex communication allows uninterrupted two-way conversations, while Acoustic Echo Cancellation prevents feedback and echo. This combination ensures natural, seamless discussions without cutting off participants mid-sentence.

Flexible Connectivity Options

Connect effortlessly via USB, BT51-C, or Bluetooth. The SP92 supports dual simultaneous Bluetooth connections and multiple device pairing for up to 8 devices, making it adaptable for office desks, home offices, or travel.

Long-lasting Battery Life

Stay productive with up to 20 hours of talk or music time. Lightweight and portable, the SP92 is ideal for long meetings, work-from-home setups, or remote collaboration without worrying about frequent charging.

Ergonomic and Stylish Design

The SP92 features a modern design with touch and mechanical buttons for intuitive control and minimal accidental presses. Custom acoustic fabric not only looks premium but enhances audio performance for a richer sound.

Wide Compatibility

Compatible with over 100 platforms and operating systems, the SP92 ensures smooth collaboration across different software and devices, making it an all-in-one solution for professional communication.
