

SSDSC2BW180A3H

Intel 520 Series 180GB 2.5" SATA3 6Gb/s Solid State Drive

Product Overview

Intel 520 Series 180GB 2.5" SATA3 6Gb/s Solid State Drive, SSDSC2BW180A3H

Specifications

Overview:

Introducing Intel SSDSC2BW180A3H high-performance SATA solid state drive is the ultimate storage solution for computing needs. SATA interface SSD is a solid state drive that uses NAND flash memory to store data. This 6Gb/s SSD delivers unmatched speed, capacity, and endurance that ensures the data is always safe and secure. It boasts a capacity of 180 GB and provides ample space for easy boot-ups and storing all important files, applications, or data.

The 2.5-inch form factor makes the SATA SSD easy to install and integrate into the system, ensuring maximum compatibility and flexibility. For upgrading the laptop, desktop, or workstation, this 6Gb/s solid state drive is a perfect choice.

The Intel SSDSC2BW180A3H SATA SSD also features advanced error correction algorithms that ensure the data is always safe and secure, even in the event of unexpected power loss or other system failures. With its low power consumption and energy-efficient design, this SATA SSD reduces the system's overall power consumption and helps to save money while also reducing environmental impact.

Standard Features:

- High-capacity storage of 180 GB, providing ample space for all data.
- Ultra-compact 2.5-inch form factor for easy integration into the system.
