

STFR5000800

LaCie Rugged 5TB Storage Capacity USB-C external hard drive

Product Overview

LaCie STFR5000800 Rugged 5TB Storage Capacity USB-C external hard drive, USB 3.0 Type-C Interface Up to 130 MB/s Data Transfer Speed Bus Powered

Specifications

Features:

Fierce Barracuda Dependability

The LaCie Rugged family features Seagate® Barracuda® drives for best-in-class reliability and performance. Multi-Tier Caching Technology™ (MTC) helps improve application load time, and 20 years of industry-leading manufacturing expertise means your data is safer in the field.

Rugged Thunderbolt USB-C

Legendary Rugged toughness meets USB-C compatibility, blazing-fast Thunderbolt™ speeds, and optional SSD performance of up to 510MB/s* (130MB/s with the HDD version). Thanks to USB-C, you can connect to both USB 3.0-compatible computers as well as to USB-C (and Thunderbolt 3) ones. This Rugged drive also features an integrated Thunderbolt cable and IP54-rated resistance to the elements, helping to ensure that you never have to compromise between durability, compatibility, and speed.

Rugged RAID

The LaCie Rugged RAID is the field-proven way to safely carry or capture a massive amount of data. Adapting to your needs for performance or complete data security, this Rugged storage lets you choose hardware RAID 0 for up to 240MB/s speeds* or RAID 1 for excellent data protection. Either way, your data is safe from water, dust, drops, and crushing.

Rugged USB-C

This drive marries legendary Rugged durability with a cutting-edge USB-C port for compatibility with next-generation computers like the latest Apple® Macbook®. Beyond being rain, drop, and crush resistant, the LaCie Rugged USB-C is also backwards compatible with USB 3.0 and USB 2.0.

Rugged Mini

With capacities up to 4TB, the LaCie Rugged Mini is the perfect choice when you want to securely carry tons of files and access them from USB 3.0 computers. Its compact size makes it easy to slip into a backpack, purse, or laptop case.

ComX Computers

Product Specification Sheet

Rugged Triple

When you need to securely carry a media library and access it from FireWire 800 or USB 3.0 computers, opt for the LaCie Rugged Triple. With dual FireWire ports, you can daisy chain other peripherals to your computer. This Rugged drive is also among the toughest in its family with a 6.6-foot (5-meter) drop resistance.
