SXS2000/2000G

Kingston XS2000 2TB External Solid State Drive

Product Overview

Kingston XS2000 2TB External Solid State Drive

Specifications

Overview:

Kingston's XS2000 Portable SSD utilises USB 3.2 Gen 2x2 speeds to deliver next-gen performance in a compact, external drive. With lightning-fast transfer speeds of up to 2,000MB/s, XS2000 delivers enhanced productivity with little interruption. XS2000 offers high-speed storage options of up to 2TB for offloading and editing high-res images, 8K videos and large documents in a flash. The drive is future-proofed to keep up with storage demands and compatible with most devices out of the box. It functions just like a hard drive but stores data using NAND flash technology. It connects with USB Type-C, allowing content creators to access their data anywhere on a PC or mobile device. Whether you go between work, play and passion projects, the XS2000 includes a removable ruggedised sleeve and IP55 rating to withstand water and dust, making it the perfect companion for on-location photoshoots or adventures.

Features:

- Speeds up to 2,000MB/s with USB 3.2 Gen 2x2
- Compact, pocket-sized form factor
- IP55 rating with removable rubber sleeve

Pocket-sized portability
Small, lightweight form factor for easy, on-the-go storage.

USB 3.2 Gen 2x2 performance
Industry-leading read/write speeds of up to 2,000MB/s

High-speed capacities
Up to 2TB to support high-resolution images, 8K videos and large documents.

Built for durability
Tested to be water resistant, dust resistant and shockproof with an included rubber sleeve.
