Performance tier: Mid-range

Uses:TV audio, home entertainment, movie watching, music streaming, gaming, Bluetooth audio playback

Overview:

Philips TAB4500 2.1 140W Soundbar with Wireless Subwoofer
The Philips TAB4500 2.1-channel soundbar delivers an immersive home entertainment experience with powerful audio and a dedicated wireless subwoofer. Designed to enhance movies, music, sports, and TV shows, this compact soundbar produces up to 140W maximum output with 70W RMS total power. Bluetooth 5.4 provides convenient wireless streaming, while HDMI ARC simplifies connection to compatible TVs using a single cable. Its slim, modern design fits neatly beneath most televisions or can be wall-mounted for a clean installation.

Description:

The Philips TAB4500 is an ideal audio upgrade for anyone looking to improve TV sound without adding a complex speaker

system. Combining two full-range drivers with a 4.5-inch active wireless subwoofer, it delivers clearer dialogue, richer bass, and balanced sound across a variety of entertainment. Multiple sound modes, adjustable bass and treble controls, Bluetooth streaming, USB playback, and HDMI ARC connectivity make it a versatile solution for modern living rooms.

Features:

Powerful Sound for Everyday Entertainment
Whether you're watching blockbuster movies, listening to music, or following live sports, the Philips TAB4500 produces dynamic audio with impressive clarity and deep bass. The dedicated wireless subwoofer adds extra impact to action scenes and music, while the soundbar keeps vocals crisp and detailed.

The selectable equalizer presets allow you to tailor the sound to different content, making every listening experience more enjoyable.

Audio Performance

- 2.1-channel speaker configuration
- Up to 140W maximum power output
- 70W RMS total output
- Two full-range drivers built into the soundbar
- 4.5-inch active wireless subwoofer
- Adjustable treble and bass controls
- Equalizer presets: Music, Movie, Voice and Stadium
- Frequency response: 60 Hz to 20 kHz
- Speaker impedance: 4 Ohm

Flexible Connectivity Options
The Philips TAB4500 offers multiple ways to connect your devices, making it suitable for TVs, smartphones, tablets, and USB media playback.

Connection options include:

- Bluetooth 5.4 wireless streaming
- 1 x HDMI Out (ARC)
- USB playback
- 3.5 mm audio input

Slim Design That Fits Anywhere
Finished in black with a sleek low-profile design, the soundbar blends easily into modern entertainment spaces. It can be placed on a TV cabinet or mounted on the wall using the included mounting bracket for a clean, space-saving setup.

Dimensions:

- Soundbar: 760 x 64 x 87 mm
- Wireless subwoofer: 150 x 202 x 253 mm

Compatible with Roku TV
The Philips TAB4500 is Roku TV Ready, allowing compatible Roku televisions to integrate smoothly with the soundbar for a more convenient entertainment experience.

What's Included
Inside the box you'll find:

- Philips TAB4500 soundbar
- Active wireless subwoofer

- Wall mount kit
- AUX cable
- USB Type-C cable
- Quick Start Guide
