Buy now for fast delivery in South Africa.

Overview Summary

Product Name: Microworld TOOL4 38-in-1 Multi Purpose Tool Kit

The Microworld TOOL4 is a comprehensive 38-in-1 precision toolkit ideal for repairing electronics including iPhones, iPads, Samsung devices, laptops, and watches. Each tool is crafted from high-quality chrome-vanadium steel, with magnetic tips and non-slip handles to provide professional-level performance. The included spudgers, suction cup, SIM card ejector, and various precision bits make it perfect for disassembly and maintenance of delicate devices.

The kit comes neatly organized in a 150 x 108 x 39mm durable case, making it portable for home, office, or travel use. With interchangeable tools and easy storage, you'll always have the right tool on hand for any electronic repair task.

Performance tier: Professional / Electronics Repair

Uses: Smartphone repair, tablet maintenance, laptop repair, watch repair, electronics troubleshooting

Description

The Microworld TOOL4 38-in-1 Multi Purpose Tool Kit offers a full set of precision hand tools for repairing electronic devices. The kit includes magnetic screwdrivers, ESD-safe tweezers, pry bars, spudgers, suction cup, SIM card ejector, extension bar, and 28 interchangeable bits in various sizes. Tools are made from high-quality CR-V steel for durability and precision. The non-slip handles and flexible rotating caps improve efficiency and control during delicate repair tasks. Perfect for smartphones, tablets, laptops, watches, and other electronics.
