Features:

Capture your favorite TV moments fit for your family

Family TV has something for each member of the family. Sports fans in your household will love Football Mode, which optimizes sound and viewing so they can make the most of the big game. You can use Screen Capture to quickly and easily capture content like a photo of your child's favorite animal, and Sound Capture lets the family's music lovers record audio clips of songs.

All the excitement of the big match with Football Mode

With Football Mode, it's like you're actually at the match. It sharply and vividly brings out the green grass of the pitch and all the other colors of the stadium. A powerful multi-surround sound effect also lets you hear all of the excitement. You can even zoom in to selected areas of the screen for a better view. With just a push of a button you can make the most of your favorite sport with all your friends.
