Specifications

Features:

Brilliant colour. Dramatic images.

TV, movies and sports can reach new levels, with intense images from Active Crystal Colour. See pictures that shine with amazing, rich palettes, and experience supreme entertainment.

Enhanced contrast and detail from HDR content

Samsung UHD TV with HDR Premium is ready for the latest high dynamic range movies, for high contrast images with sharp detail in dark and bright scenes.

Great pictures from non-UHD video

DVD and Blu-ray™ collections can look great on Samsung 4K TVs, with UHD Upscaling to help improve the appearance of non-UHD video.

Smart TV

Whether it's free-to-air TV, video streaming apps, the web or your connected devices, finding great entertainment can be slick and seamless from the Smart Hub.

One remote. Easy control.

No need to keep track of several remotes, Samsung's One Remote can operate connected compatible devices to make control of your entertainment simple.

See your mobile's screen on the TV

Get the photo, video, app or web page you're viewing on your smartphone up onto the big screen, with Screen Mirroring.

Product Specification Sheet

Share and stream, with Wi-Fi built-in

Samsung Smart TV is ready to join your Wi-Fi network, making it quick to stream entertainment from popular movie and music on-demand services, and play your networked media on the big screen.

Wireless sound from your TV

Stream the audio from a compatible Samsung Smart TV to a Samsung Soundbar with convenient TV SoundConnect, and enjoy great sound from movies, sport and drama with simple setup.
