Product Specification Sheet

- Sync: Adaptive Sync
- Video ports: 2 x USB-C, 1 x Mini HDMI
- Audio: 2 x 1W stereo speakers, 1 x audio line-out
- Colour support: 16.7 million colours
- Monitor performance tier: Mid-range portable monitor
- Uses: Business presentations, remote work, photo editing, media streaming, gaming
- VESA: 75 x 75 mm

Features:

Stunning Full HD Display for Vibrant Visuals

Experience crisp, vivid images with the 1920 x 1080 Full HD resolution. The 15.6-inch IPS panel offers true-to-life colors and sharp detail, ideal for watching movies, gaming, or detailed tasks like photo editing. The 16:9 aspect ratio delivers an immersive widescreen experience.

Simple Single-Cable Connection with USB-C

Reduce cable clutter with a single USB Type-C connection that handles display, data transfer, and power all at once. This convenient feature also supports direct connection to smartphones and tablets, making the monitor highly versatile for various devices.

Wide Viewing Angles Thanks to IPS Technology

With a 178-degree viewing angle, this monitor ensures consistent color accuracy and clarity from nearly any position. Whether sharing your screen during meetings or enjoying content with others, the image quality remains sharp and vibrant.

Smooth, Flicker-Free 60Hz Refresh Rate

Enjoy comfortable viewing with a 60Hz refresh rate that minimizes flickering, reducing eye strain during long use. This smooth display performance enhances your experience whether you are working, gaming, or streaming videos.

Flexible Setup with VESA Compatibility

The Acer P1 PM161q features a kickstand that doubles as a VESA mount compatible with 75 x 75mm mounts. Adjust your monitor position easily to suit your workspace and viewing preferences, boosting productivity and comfort.

Additional Features:

- Fast 6ms response time for reduced motion blur
- Brightness of 220 nits and contrast ratio of 1000:1 for clear images in various lighting conditions
- HDR10 support for enhanced dynamic range and richer colors
- Adaptive Sync technology for smoother gameplay and video playback
- Built-in stereo speakers (2 x 1W) and audio line-out for convenient sound options
- Multiple input options including 2 USB Type-C ports and 1 Mini HDMI port

The Acer P1 PM161q portable monitor combines portability, impressive visuals, and flexible connectivity, making it an excellent choice for professionals and entertainment users alike.
