

UP200-64GB-BL

Acer UP200 USB 2.0 64GB Flash Drive

Product Overview

Acer UP200 USB 2.0 64GB Flash Drive, Up to 30 MB/s Maximum Read Speed, UP200-64GB-BL

Specifications

Overview Summary:

The Acer UP200 64GB USB 2.0 flash drive offers a simple and reliable way to store and transfer your important files. With a compact design and up to 30MB/s read speed, it's ideal for everyday use whether you're moving documents, photos, or media between devices. Its broad compatibility with Windows, Mac, and Linux systems makes it a versatile choice for home, school, or office use.

Lightweight and easy to carry, this flash drive is perfect for users who need portable storage on the go. Whether you're backing up files or sharing data, the Acer UP200 delivers dependable performance. Buy now and enjoy convenient, affordable storage you can trust.

Performance tier:Entry-level

Uses:file storage, document transfer, photo storage, backups, school and office use

Overview:

Acer UP200 64GB USB Flash Drive for Everyday Storage

The Acer UP200 64GB USB flash drive offers a practical and reliable solution for storing and transferring files across multiple devices. Designed for daily use, it combines a compact form factor with dependable USB 2.0 performance, making it suitable for documents, media files, and backups. With read speeds of up to 30 MB/s, it delivers consistent data access whether you are at home, in the office, or on the move.

Description:

The Acer UP200 64GB USB 2.0 flash drive is built for users who need straightforward, portable storage without complexity. Its lightweight design makes it easy to carry, while broad compatibility ensures it works seamlessly with Windows, Mac, and Linux systems. Ideal for students, professionals, and general users, it provides a dependable way to store, share, and transport

important files with minimal effort.

Features:

Compact Design with Practical Performance

This flash drive is engineered for portability, measuring just 62 mm in length and weighing only 9 grams. Its slim profile allows it to fit easily into pockets, bags, or laptop ports without obstruction. Despite its small size, it maintains stable performance for everyday file transfers, making it a dependable tool for routine digital tasks.

Reliable Storage for Multiple Devices

With 64GB of capacity, the Acer UP200 provides sufficient space for a wide range of file types, including documents, presentations, photos, and videos. It supports plug and play functionality across major operating systems, eliminating the need for additional drivers and simplifying usage across different environments.

Key Technical Details

- Capacity: 64GB
- Interface: USB 2.0
- Maximum read speed: Up to 30 MB/s
- Dimensions: 62.00 mm x 21.70 mm x 8.00 mm
- Weight: 9 g

Operating Conditions and Compatibility

The device is designed to function reliably under typical working conditions and supports a wide range of systems, ensuring flexibility for different users and setups.

- Working voltage: 5 V +/- 5%
- Operating temperature: 0 C to 60 C
- Storage temperature: -20 C to 80 C
- Certifications: CE, FCC, ROHS, BSMI, RCM
- System support: Windows XP, 7, 8, 10, 11, Mac OS 10.5.x and above, Linux 2.6.x and above

Simple Storage That Fits Your Workflow

Whether you need a backup drive, a way to transfer files between computers, or a portable storage option for everyday use, the Acer UP200 meets the requirement without unnecessary complexity. Its balance of capacity, portability, and compatibility makes it a practical addition to any digital setup.
