Apc Bracket Kit, Cable Ladder Elevation

## Product Overview

Apc Bracket Kit, Cable Ladder Elevation

## Specifications

### Overview:

Cable ladder attachment kit includes two adjustable brackets that can mount to a variety of surfaces providing attachment points for cable ladder systems. This flexible bracket attaches to a variety of surfaces such as top of cable troughs as a ladder elevation method, NetShelter Enclosure roofs for direct ladder routing to the enclosure, and as an attachment kit for the Overhead Zone Cabling 4U Patch Frame (VDIM33174).

### Specifications:

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |           |
