

USB-C-HDMI-AD-V1421A

Unitek V1421A 4K @ 60Hz USB Type-C to HDMI 2.0 Adapter

Product Overview

Unitek V1421A 4K @ 60Hz USB Type-C to HDMI 2.0 Adapter, 1x HDMI, 1x Host USB-C, 15cm cable length, ABS material

Specifications

Overview Summary:

The Unitek 4K USB-C to HDMI Adapter provides a simple solution for connecting USB-C or Thunderbolt 3 devices to HDMI displays. Whether you're watching movies, streaming shows, or working on presentations, this adapter offers crisp 4K resolution at 60Hz, ensuring exceptional performance every time. Designed for both home and office use, it supports HDCP 2.3 for secure streaming of Ultra HD content from platforms like Netflix and Amazon Prime Video. Compact and portable, it's the ideal adapter for business trips, conferences, or gaming setups. Buy now and experience seamless 4K streaming!

Performance tier:Premium

Uses:Home entertainment, office presentations, gaming, streaming Ultra HD content, portable business setups

Overview:

4K USB-C to HDMI Adapter: Elevate Your Viewing Experience

SKU: V1421A

The UNITEK 4K 60Hz USB-C to HDMI 2.0 Adapter is designed to provide seamless connectivity between USB-C devices and HDMI displays, ensuring a smooth and immersive viewing experience. Whether you're watching movies, streaming shows, or delivering presentations, this adapter makes it easy to achieve vibrant 4K visuals with exceptional performance.

Description:

The UNITEK 4K USB-C to HDMI 2.0 Adapter supports stunning 4K resolution at 60Hz, ensuring crystal-clear visuals and a rich viewing experience. Ideal for connecting USB-C or Thunderbolt 3-enabled devices to HDMI displays, this adapter is perfect for home entertainment, office use, and gaming. It's plug-and-play, meaning no drivers are required, and it supports HDCP 2.3 for streaming services like Netflix and Amazon Prime Video. Compatible with both large-screen TVs and projectors, this device brings versatility and convenience to any setup.

Features:

Superior 4K Streaming and Visual Performance

The UNITEK USB-C to HDMI 2.0 Adapter supports 4K resolution at 60Hz, ensuring ultra-sharp images and vivid color depths for an immersive viewing experience. Whether you're watching high-definition movies, playing games, or streaming content, it delivers outstanding performance for up to 50" or larger screens. It is compatible with HDCP 2.3, allowing you to stream Ultra HD content from platforms like Netflix and Amazon Prime Video without issue. The adapter also supports 3D video, making it a great choice for 3D movie lovers.

Seamless Compatibility with USB-C Devices

This adapter works with a wide range of devices, including laptops, tablets, and smartphones that support Thunderbolt 3 or USB-C with DP Alt Mode. No additional software or drivers are needed—simply plug it in and enjoy high-definition output on any HDMI-enabled display. The compact design ensures portability, making it an excellent choice for business trips, conferences, or remote work setups.

Flexible Display Modes for Enhanced Productivity

With this adapter, you can easily switch between extended or mirrored display modes. Use it to mirror your laptop's screen on a larger monitor for presentations or extend your desktop to increase productivity. Whether you're multitasking or gaming, the adapter offers flexibility to match your needs.

Key Benefits

- Supports 4K resolution at 60Hz for smooth and sharp visuals
- Backward compatible with lower resolutions (2K, 1080P, 720P)
- Compatible with Thunderbolt 3 and USB-C devices with DP Alt Mode

- Plug-and-play functionality with no drivers required
- HDCP 2.3 support for secure streaming of HD and Ultra HD content
- Supports 3D video for enhanced entertainment
- Compact design for easy portability and setup

Compact, Durable, and Easy to Use

Made from high-quality ABS material, this adapter is both durable and lightweight, making it a perfect choice for both home and on-the-go use. The 15cm cable length provides ample flexibility for connecting devices in tight spaces, while its plug-and-play functionality ensures hassle-free setup.

Specifications:

- Resolution:4K at 60Hz, backward compatible with 2K, 1080P, and 720P
- HDCP Support:HDCP 2.3 for secure streaming of Ultra HD content
- Compatibility:Works with USB-C and Thunderbolt 3 devices supporting DP Alt Mode
- Cable Length:15cm
- Material:ABS

The UNITEK 4K USB-C to HDMI Adapter is the perfect solution for anyone looking to enhance their display setup with crisp, clear 4K visuals and seamless performance. Whether for home entertainment, office productivity, or gaming, this reliable adapter ensures top-tier connectivity every time.
