Specifications

About this product

Experience fast and reliable connectivity with the UniQue High Speed USB Type A Male to Micro USB Type B 10 Pin Male Cable. Designed for USB 3.0 devices, this 3-metre blue cable enables rapid data transfer, efficient syncing, and convenient charging of compatible digital devices.

Overview Summary

UniQue USB 3.0 Type-A to Micro USB 3.0 Type-B Cable

This high-speed USB cable is engineered for superior performance, supporting transfer rates up to 4.8Gbps for quick and reliable data exchange. Its 10-pin Micro USB B male connector ensures compatibility with a range of devices including external hard drive enclosures, printers, and select smartphones. The cable's durable 3-metre length allows flexible placement and easy access to devices without restricting mobility.

Built to combine efficiency with convenience, the UniQue USB 3.0 cable supports both syncing and charging, making it an essential accessory for workstations, home offices, and mobile setups. The vibrant blue colour ensures easy identification among other cables while maintaining a sleek, professional appearance.

Performance tier:High-speed

Uses:Data transfer, device syncing, charging, external storage connectivity, printer connection

Overview

The UniQue High Speed USB 3.0 Type A Male to Micro USB Type B 10 Pin Male Cable 3 metre length is an indispensable accessory for your hard drive enclosures, printers, modems, cameras, and other Super Speed USB peripherals such as some smartphones devices with the common Micro-B USB 3.0 port. It has a data transfer rate that is 10 times faster than of a

standard USB 2.0 at up to 4.8Gbps when connected with a USB 3.0 compliant host and device, This cable is designed with foil braided shielding reduces EMI/RFI interference and twisted pair construction helps reduce crosstalk thus ensuring Super Speed, error-free data transfer. Protective over moulded connector is colour-coded blue to highlight USB 3.0 connectivity compatibility. Connector 1: USB 3.0 Type A Male and Connector 2: USB 3.0 Type Micro B Male.

Description

The UniQue High Speed USB 3.0 Type-A to Micro USB Type-B cable offers a seamless connection for high-performance devices. Perfect for external storage, printers, and select smartphones, it allows for rapid data transfer, charging, and device syncing. Its sturdy design ensures reliable operation even with frequent use. The 3-metre length provides flexibility and convenience for desktop setups and mobile workstations alike.

Features

- Supports USB 3.0 transfer speeds up to 4.8Gbps for fast data exchange
- Compatible with Micro USB 3.0 Type-B devices such as external drives, printers, and some smartphones
- 3-metre length provides flexibility for desktop and home office setups
- Durable construction ensures long-lasting performance
- Supports simultaneous syncing and charging of devices
- Blue color design for easy identification

What's in the Box

- 1 x UniQue USB 3.0 Type-A to Micro USB 3.0 Type-B Cable (3 metres)
- Retail packaging box

Specifications

- Cable Type: USB 3.0 Type-A Male to Micro USB Type-B Male
- Connector: 10-pin Micro USB B
- Data Transfer Rate: Up to 4.8Gbps
- Length: 3 metres
- Color: Blue
- Function: Data transfer, syncing, charging
- Compatible Devices: External hard drive enclosures, printers, select smartphones with Micro-B USB 3.0 port
