## FAQ

### How do I connect the Volkano Stockholm Series Speaker to my phone?

To connect, turn on the speaker, enable Bluetooth on your phone or device, and select Volkano Stockholm Series from the list of available Bluetooth devices. Once paired, your audio will play wirelessly through the speaker.

### What devices are compatible with this speaker?

This speaker is compatible with any Bluetooth enabled device, including smartphones, tablets, laptops, and other Bluetooth audio sources for wireless streaming.

### Can I use the speaker outdoors?

The Stockholm Series is portable and suitable for casual outdoor use, but it is not specifically rated for water or dust resistance, so avoid exposure to rain or moisture.
