Overview:

VolkanoX Supersonic 2 Series 2.1 200 W Soundbar System with Wireless Subwoofer - Black

The VolkanoX Supersonic 2 Series 2.1 200W Soundbar System with Wireless Subwoofer (Model VK-3911-2.1[V2]) offers an immersive audio experience ideal for home entertainment setups. With a total RMS output of 200W, this system delivers powerful sound through its soundbar and wireless subwoofer combination.

Key Features:

- Powerful Audio Output:The soundbar delivers 100W RMS (4 x 25W), while the wireless subwoofer provides an additional 100W RMS, ensuring deep bass and clear treble.
- Wireless Subwoofer: The 8-inch subwoofer connects wirelessly within a 15-meter range, allowing flexible placement without the need for direct connection to the soundbar.
- Multiple Connectivity Options: Supports Bluetooth 5.0 (up to 15m), HDMI ARC, optical input, USB (up to 64GB), and AUX, providing versatile connectivity for various devices.
- Enhanced Audio Modes:Features 3D Sound Mode and three EQ settings - Music, Movie, and Vocal - to tailor the audio experience to different content types.
- Digital Sound Processing: Ensures clear mid and high frequencies, enhancing the overall listening experience.
- Included Accessories:Comes with a remote control and a 1.5-meter optical cable for easy setup and control.

This soundbar system is designed to enhance your audio experience, whether you're watching movies, listening to music, or gaming. Its sleek black finish and compact design make it a stylish addition to any home entertainment setup.
