Volkano Steel Series Tilt TV Wall Mount for 37" - 86" TVs

Product Overview

Volkano Steel Series Tilt TV Wall Mount for 37" - 86" TVs. The Volkano Steel Series Tilt TV Wall Mount offers a strong, adjustable, and space-saving solution for mounting flat-screen TVs between 37 and 86 inches. Easy to install and built with durable steel, this mount enhances your viewing comfort by allowing tilt adjustments while securing your TV firmly on the wall.

Specifications

Overview Summary

Volkano Steel Series Tilt TV Wall Mount for 37" - 86" TVs is a robust and versatile mounting solution designed to securely hold large flat-screen TVs from 37 inches up to 86 inches. Made from durable steel, this wall mount offers tilt adjustment to optimize your viewing angle and reduce glare, enhancing your home entertainment experience. Easy to install and compatible with most VESA mounting patterns, it provides a strong and stable support for your TV, making it ideal for living rooms, bedrooms, or entertainment areas.

This mount helps save space by keeping your TV flush against the wall while allowing you to adjust the tilt for better picture clarity and comfort. Its heavy-duty design supports TVs weighing up to 45 kilograms, giving peace of mind for your valuable screen. Whether you want a clean, modern look or better ergonomics, the Volkano Steel Series Tilt TV Wall Mount offers a practical and stylish solution.

Performance tier: Premium home entertainment mounting solution

Uses: Home TV mounting, office displays, gaming setups, conference rooms, entertainment centers

Features

The Volkano Steel Series Tilt TV Wall Mount combines strength, flexibility, and ease of use. Its key features include:

- Wide compatibility: Supports TVs from 37 inches to 86 inches and VESA mounting patterns from 200x200mm up to 600x400mm.
- Adjustable tilt angle: Tilt your TV downward or upward to reduce glare and improve viewing comfort.
- Heavy-duty steel construction: Ensures long-lasting durability and secure TV support up to 45 kg.
- Space-saving design: Mounts your TV close to the wall for a clean, modern look while freeing up floor space.
- Easy installation: Comes with all necessary mounting hardware and clear instructions for quick setup.
- Safety and stability: Includes secure locking mechanisms to keep your TV firmly in place.

This mount is perfect for users who want a reliable, professional-quality mounting solution that blends durability with practical functionality. It suits a wide range of applications from home cinemas to commercial displays.

Description

The Volkano Steel Series Tilt TV Wall Mount is engineered to support large flat-screen TVs with stability and style. Constructed from high-quality steel, it holds TVs ranging from 37" up to 86" and supports VESA mounting patterns up to 600x400mm, covering most popular TV models. With a weight capacity of up to 45 kilograms, it accommodates a broad selection of screens safely and securely.

The tilt function allows you to adjust the viewing angle to reduce reflections from lights or windows and find the optimal position for comfortable viewing. This flexibility helps enhance your viewing experience in any room setup. Installation is straightforward with included hardware and step-by-step instructions, making it accessible even for users without prior mounting experience.

Its slim profile keeps your TV close to the wall, creating a neat and organized appearance that saves space and enhances your room's aesthetics. The Volkano Steel Series Tilt TV Wall Mount is an excellent choice for anyone looking to securely mount a large TV with the added benefit of tilt adjustment for perfect viewing angles.
