Specifications

Overview:

BRIO 300

Stylish high-resolution webcam with auto light correction to help you look your best on every video call.

LET YOUR PERSONALITY SHINE

Say hello to better video calls with Brio 300, a stylish and compact 1080p webcam with auto light correction to compensate for challenging light environments. Brio 300 is available in 3 colors to suit your personality, and features a subtly speckled design - the result of using recycled plastic 62% for graphite, 48% for rose and off-white. Excludes Electronic (EE) Components, cables, and packaging. . Now you can be your best self on every video call.

CHOOSE STYLE. CHOOSE NEXT LIFE PLASTICS.

More than just good looks, Brio 300 is consciously designed with a minimum 48% of post-consumer recycled plastic 62% for graphite, 48% for rose and off-white. Excludes Electronic (EE) Components, cables, and packaging. in an effort to support a more equitable and climate positive world - We chose to embrace the speckled appearance that comes from the variability of post-consumer recycled (PCR) plastics. In addition to giving these plastics a new life, this also gives Brio 300 a unique, stylish look.

BE SEEN AND HEARD CLEARLY

Brio 300 is easy to set up withUSB-Cconnectivity to ensure that you are seen and heard clearly on every video call.

SHOW UP IN CLARITY

Collaborate better with high resolution and basic auto light correction.RightLight2 automatically adjusts to compensate for challenging light conditions so you look clear on video calls.

SOUND LIKE YOU

The mono noise-reducing mic captures and transmits your voice while suppressing background noise so you can be heard clearly.

SPIN FOR INSTANT PRIVACY

Easily spin the integrated privacy shutter to completely block the camera when not in use. When youre ready for your next meeting, just spin the shutter open to reveal the lens.

MADE FOR MEETINGS

Easily join a meeting using your preferred video meeting app. Brio 300 is compatible with most meeting and calling platforms and is certified for use with Microsoft Teams, Zoom, and Google Meet.

EVEN BETTER WITH LOGI TUNE

Download the free Logi Tune The Logi Tune app currently supports in the following languages: English, French, German, Italian, Spanish, and Portuguese. Logi Tune not available onChromeOS. app for additional features that allow you to adjust Brio 300 to your preferences. Adjust color and image resolution, and take advantage of features like automatic firmware updates.

A CHOICE THAT YOULL FEEL GOOD ABOUT

Logitech is committed to creating a more sustainable world. We are actively working to minimize our environmental footprint and accelerate the pace of social change.

MADE WITH RECYCLED PLASTIC

The plastic parts in Brio 300 include certified post consumer recycled plastic - 62% for Graphite, 48% for Off-white and Rose- to give a second life to end-of-life plastic from old consumers electronics and help reduce our carbon footprint Excludes Electronic (EE) Components, cables, and packaging.

RESPONSIBLE PACKAGING

The paper packaging of the Brio 300 comes from FSC-certified forests and other controlled sources. By choosing this product, you are supporting responsible management of the worlds forests.

CERTIFIED CARBON NEUTRAL

Brio 300 is certified carbon neutral. This means the carbon impact of the product and packaging has been reduced to zero due to Logitech investment in carbon-offsetting and removal projects.
