Overview:

Take your everyday tasks to the next level with the WINX CLICK Easy Wireless Mouse - your new favourite silent mouse that's all about making work (or play) feel effortless. Say goodbye to noisy clicks and hello to smooth, quiet productivity, whether you're crushing deadlines, scrolling socials, or sneaking in some late-night gaming.

This wireless mouse lets you roam free with an impressive 10-metre range, so you're never stuck in one spot. Perfect for legacy USB or Type-C devices, the wireless receiver makes connecting a breeze, turning this silent mouse into your ultimate sidekick for laptops, desktops, tablets, and even smartphones.

Not a fan of one-size-fits-all? Neither are we. With adjustable sensitivity settings of 800/1200/1600 DPI, you can tweak it to match your pace, whether you're zipping through a spreadsheet or fine-tuning a creative project. And when the day runs long, it's smart power-saving feature keeps your battery going strong, so you're always ready for what's next.

Stylish, compact, and full of personality, the WINX CLICK Easy USB/Type-C wireless mouse isn't just practical - it's downright cute. Its lightweight design makes it perfect for tossing in your bag and taking anywhere. Plus, it plays nice with all the major

players: Windows, macOS, Linux, and Android. So no matter your setup, this silent click mouse has you covered.

Why settle for ordinary when you can have a mouse that's as fun and flexible as you are? The WINX CLICK Easy silent mouse is here to keep you clicking, scrolling, and thriving - quietly, of course. Ready to meet your new daily favourite? It's time to work smarter, not harder, with a wireless mouse that's totally built for you.
