Specifications

Features:

Power your frontline

Get the job done and exceed expectations, no matter where you work. Tackle projects and tasks throughout your day with professional-grade performance and all-day battery life.

Up to 80% faster

Get the job done with our fastest Surface Go ever- powered by an Intel Processor N200.

Up to 12.5 hours battery life

All-day battery life for power on the go.

Microsoft 365 for frontline

Simplify processes, unify communication tools, and engage frontline workers in a secure, all-in-one platform.

Secured-core PC

Built in security with hardware and firmware-level remote management with a Microsoft open-source DCFI.

Durability and quality for frontline workers

Our smallest business laptop and tablet helps you speed through touch-and-digital pen tasks with battery life that enables employees to work all day from anywhere.

Durability

We focus on premium craftmanship and double down on quality and reliability by putting our devices through testing that simulates various real-word scenarios.

Productivity and performance for every task

A high performance and ultra-portable device, Surface Go 4 empowers your frontline workforce to connect to the data, insights, and people they need.

Go faster with browser-based applications and tasks

Keep your frontline workers connected to the data, insights, and people they need with strong browser-based

Flexibility to get the job done

Get the full Windows 11 laptop experience when you pair your device with Surface Pen and the Signature Type Cover.

Connect wherever you work

Connect, co-create, and communicate effortlessly with Windows 11, Microsoft 365, and Surface Go 4's Full HD camera.

Adaptable to different types of work

Work better and smarter with the power to meet your boldest goals and the adaptability to thrive anywhere.

Have crystal-clear calls

Crystal clear calls with 2W stereo speakers with Dolby Audio and with far-field Studio Mics.

Built for touch and pen

Get more done on the frontlines by empowering workers to choose from three modes in one device.

Full HD cameras show you at your finest

Look great with a Full HD camera on your video call, capture video from the job site, or scan a document.

Meet the needs of your employees and organization

For configurations and pricing, contact a Microsoft authorized reseller. Resellers will also help you deploy and manage Surface for your business.
