Specifications

Summary Overview:

The Microsoft Surface Pro Copilot+ 11th Edition 13" is a versatile hybrid laptop and tablet ideal for South African professionals seeking portability with power. Equipped with a Snapdragon X Elite processor, 16GB LPDDR5 RAM, and a sharp 3K OLED touchscreen, it delivers smooth multitasking and vibrant visuals. With Wi-Fi 7 and optional 5G, connectivity is fast whether at home or on the move. Its lightweight design at just under 0.9 kg and long battery life make it perfect for business users, creatives, and remote workers. Customer reviews praise its build quality, display, and AI-enhanced productivity tools, making it a smart buy for those who want advanced features and flexibility. Shop now and order the Surface Pro to elevate your work efficiency with Windows 11 Pro.

Laptop performance tier: Premium business ultrabook

Uses: Business productivity, creative work, remote work, presentations, mobile computing

Overview:

Surface Pro for Business 11th Edition: Powerful, Portable, and AI-Enhanced

The Surface Pro for Business 11th Edition offers a perfect balance between the portability of a tablet and the power of a laptop. Designed for professionals on the go, it delivers exceptional performance with all-day battery life, enhanced by innovative AI features that boost productivity and creativity. Now available with optional 5G connectivity, this device runs Windows 11 Pro on Copilot+ PCs, which are built to provide advanced AI experiences for more efficient workflows.

Features:

Key Features of Surface Pro for Business

Boost Productivity with AI-Powered Tools

Stay ahead with Cocreator and Live Captions, unique AI-driven features that simplify problem-solving, spark creativity, and help you generate compelling content faster than ever before.

Industry-Leading Security for Business

Copilot+ PCs offer the most advanced Windows security out of the box, protecting your device from evolving cyber threats so you can work confidently.

Serviceability Made Simple

Surface Pro for Business is designed for easy servicing. Built-in repair instructions and clear icons indicate the number and type of screws needed, helping authorized technicians or on-site experts maintain your device with minimal downtime.

Designed for Flexibility and Comfort

Adjustable Kickstand for Optimal Viewing

The built-in fluid kickstand adjusts up to 165 degrees, allowing you to find the perfect angle whether you're taking notes, presenting, or working from a variety of locations.

Versatile Typing Experience Anywhere

Pair your device with the Surface Pro 13-inch Flex Keyboard for Business. This keyboard works attached or detached, adapting seamlessly to your work environment.

Superior Display Quality

Optional OLED and HDR displays offer brighter visuals and enhanced color accuracy, making it easier to work in any lighting condition.

Connectivity and Convenience

Next-Gen Wireless: Wi-Fi 7 and Optional 5G

Experience faster and more efficient internet connections with Wi-Fi 7, and stay connected on the go with optional 5G capabilities.

Multiple USB-C 4 Ports for Expansion

Two USB-C 4 ports enable quick charging, fast data transfers, and support for up to three 4K monitors, plus accessory connectivity.

Secure, Password-Free Sign-In

Log in instantly and securely with Windows Hello facial recognition or use the built-in NFC reader to sign in with your badge-no password needed.

Lightweight, Inclusive, and Eco-Friendly Design

Adaptable for Diverse Needs

Surface Pro for Business fits effortlessly into different workspaces, including wheelchair mounts, thanks to its adjustable kickstand and lightweight design.

Intuitive Touch and Pen Input

Use it as a tablet with touch and pen support for a more natural and creative workflow, reducing reliance on traditional input devices like mice and keyboards.

Inclusive Features for Everyone

The Surface Pro 13-inch Flex Keyboard for Business adds accessibility with features like adaptive touch mode on the precision haptic touchpad, an optional bold keyset, and haptic feedback on the Surface Slim Pen.

Commitment to Sustainability

Made with Recycled Materials

The device enclosure contains at least 72% recycled content, including 100% recycled aluminum alloy and rare earth metals, reflecting Microsoft's dedication to sustainable manufacturing.

Eco-Friendly Packaging

Packaging is crafted from 78% recycled wood-based fiber, minimizing environmental impact.

Energy Efficiency Built-In

The Energy Saver toggle helps you extend battery life effortlessly, supporting longer use between charges.

Service and Support You Can Trust

Surface Pro for Business is designed to be serviceable, with major components replaceable through authorized service providers or on-site technicians. This ensures your investment stays protected and your device remains reliable over time.

Explore the Surface Pro for Business 11th Edition for a versatile, secure, and efficient device tailored to meet the demands of modern professionals, with the power of AI and the flexibility to work your way.

Specifications:

Edition	11 Edition
