Specifications

Overview Summary:

The Canon PIXMA TR4645 4-in-1 printer is a compact and versatile solution for home and small office environments in South Africa. With capabilities to print, copy, scan, and fax, this printer ensures professional-quality output every time. Its wireless connectivity through Wi-Fi, the Canon PRINT app, and Apple AirPrint makes printing from your smartphone or tablet effortless. Automatic duplex printing and a 20-sheet document feeder save time and paper, while front-loading trays and easy cartridge replacement simplify daily use. Buy now to enhance productivity and enjoy vibrant colour prints and sharp black text for all your document needs.

Performance tier:Mid-range

Uses: Printing, scanning, copying, faxing, home office, small office, photo printing

Overview:

Canon PIXMA TR4645 4-in-1 Colour Printer for Home and Office Use

The Canon PIXMA TR4645 is a compact, multifunctional 4-in-1 printer designed for home and small office environments. With its user-friendly setup, seamless wireless connectivity, and versatile functionality, it allows you to print, scan, copy, and fax with ease. Its smart design makes managing documents simple while delivering high-quality results.

Description:

This all-in-one printer combines reliable performance with intuitive control. Print sharp black text and vibrant colour images using pigment and dye inks. Features such as automatic duplex printing, a 20-sheet automatic document feeder, and front-loading paper tray enhance efficiency. Wireless connectivity through Wi-Fi, the Canon PRINT app, and Apple AirPrint ensures effortless printing from laptops, PCs, and smart devices. Eco-conscious design reduces plastic waste, and energy-saving auto power on/off helps you save both time and resources.

Features:

Effortless Wireless Printing and Scanning

Stay productive from anywhere in your home with Wi-Fi connectivity. The Canon PRINT app enables printing, scanning, and copying directly from smartphones or tablets, providing full control over your printer without needing a computer.

Compact Design, Simple Setup

Designed for convenience, the PIXMA TR4645 can be set up quickly using the smartphone app or online guides. Easy-access ink cartridges, simplified paper loading, and a document removal reminder make daily operation hassle-free.

Efficient Document Handling

The 20-sheet automatic document feeder (ADF) allows you to copy or scan multiple-page documents without manual intervention. Automatic 2-sided printing reduces paper usage and speeds up document handling.

Professional Print Quality

Produce crisp black text with pigment ink and vibrant colour prints using dye-based inks. This printer ensures your documents look professional, and your photos are rich and vivid. Borderless 4x6 inch photo printing is ready in just 65 seconds.

Eco-Friendly and Energy-Saving

Canon reduces environmental impact through approximately 65% less plastic packaging. The auto power on/off function conserves energy when the printer is not in use.

User-Friendly Controls

A clear monochrome LCD makes operation simple, allowing you to monitor tasks and manage print jobs efficiently.

Paper Handling Made Easy

Front-loading paper tray accommodates up to 100 sheets of A4, making it simple to load paper and maintain workflow.

Fast and Reliable Printing

Print speeds of up to 8.8 ipm for black and 4.4 ipm for colour ensure you complete tasks quickly without compromising quality.

What's Included in the Box

- 4-in-1 PIXMA TR4645 printer
- 2 FINE cartridges (black and colour)
- Power cord

ComX Computers
